

Specialist Area: Feasibility Studies for Non-Commercial Ventures

Commissioning an independent feasibility study is often one of the first steps in turning a proposed vision into reality.

APR Consultants undertakes feasibility studies and business plans for both commercial and non-commercial ventures. APR understands the additional complexities that exist in a non-commercial environment including the need for consultation and managing constraints around funding and resourcing.

APR Services:

Feasibility Studies

This is one of a series of APR information sheets available for download.
